The Complete Poetical Works of Percy Bysshe Shelley This volume contains a complete collection of poetry written by the seminal Romantic poet Percy Bysshe Shelley. Shelley's poetry is infused with his belief in the power of human love and his faith in the perpetual improvement and ultimate progress of human kind. His lyric poems, for which he is famous, are exquisite in their beauty, profundity, and masterful composure. This collection would make for a worthy addition to any bookshelf, and is highly recommended for all poetry lovers. The poems contained herein include: "Queen Mab: A Philosophical Poem", "To Harriet", "A lastor: Or, the Spirit of Solitude", "A lastor, The Revolt of Islam", "Canto First", "Canto Second", etcetera - as well as substantial introductory notes. Many vintage books such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this volume now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

The Complete Poetical Works of Percy Bysshe Shelley

Shelley took his place within the vatic history of mythopoetic bards and bore the Visionary legacy. He offered a simple "spark" of poetry to his audience while promising a raging fire would burn if the poetry was nurtured correctly. However, Shelley realized that most people cannot accept the poet's offering (for various reasons; ignoring, rejecting or misunderstanding) and they let that spark smolder into nothing. Shelley shouts into his written words, leaving his hard-earned knowledge of the human condition and his visionary plight for willing human ears. Shelley paints himself as the Visionary, sound and steady within a wisdom that understands the suffering beauty of the human condition, who sits as a "tranquil star" to burn as heavenly light. Shelley's hope is to guide humanity through the dark night of doubt and fear towards the possibility laying dormant within being human. This volume contains the fourth volume of Shelley's complete works of both poetry and prose, with an introduction by J. M. Beach. This book contains Volume 4, Shelley's collected translations. You can find Shelley's collected volumes 1-3 published separately.
